

IRON BRIDGE

MOBILITY SOLUTIONS

Dependability Delivered Daily.

CAPABILITY STATEMENT

Medical Courier | Commercial Logistics | Bulk-Item Removal

Maryland | Washington, DC | Northern Virginia

Dependable transportation. Documented handoffs. Responsive regional coverage.

Iron Bridge Mobility Solutions LLC provides professionally handled transportation and removal services for healthcare organizations, commercial businesses, property managers, and institutional clients. We support time-sensitive assignments, recurring routes, last-mile deliveries, and large-item removal with direct communication and proof-of-service procedures.

CORE CAPABILITIES

Medical Courier and Specimen Transport

Sealed specimen and laboratory shipments, cold-packed and temperature-sensitive transport under client instructions, STAT support, documented chain of custody, and time-stamped proof of delivery.

Commercial Logistics and Dedicated Routes

Same-day and expedited cargo-van delivery, scheduled multi-stop routes, last-mile fulfillment, recurring route coverage, and overflow or backup transportation support.

Bulk-Item Removal

Furniture, appliance, office-equipment, unit-turnover, move-out, and eviction cleanout support for property managers, HOAs, businesses, and residential clients.

INDUSTRIES SERVED

- Healthcare and laboratories
- Logistics and distribution
- Retail and commercial businesses
- Professional services
- Medical practices
- Property managers
- Contractors and trades
- Public sector

SERVICE APPROACH

Each assignment is confirmed around the client's pickup window, delivery requirements, authorized recipient, handling instructions, and documentation needs. Completed service is supported by proof of delivery appropriate to the account.

WHY IRON BRIDGE

- Owner-operator oversight and direct accountability
- Clear client communication from pickup through completion
- Flexible one-time, recurring, and overflow support
- Documented custody and proof-of-delivery procedures
- Professional commercial cargo-van service
- Regional coverage with Mid-Atlantic assignments considered

QUALIFICATIONS

- Insured transportation provider
- HIPAA and Bloodborne Pathogens trained
- DOT Category B trained owner-operator
- Documented chain-of-custody procedures
- Driver qualification and assignment standards
- Maryland-based business
